

INDIAN CONFERENCE ON ANTENNAS & PROPAGATION (InCAP)

December 16-19, 2018, Hyderabad, India

InCAP Student Innovative Project Competition (Undergraduate and Masters Projects)

Indian APS Chapters in association with IEEE APS announce the first Indian Conference on Antennas and Propagation (InCAP) to be held in Hyderabad, India during December 16-19, 2018. InCAP 2018 opens a door of opportunities to students and young researchers inclined towards Antennas, Propagation and Electromagnetics. Be a part of InCAP 2018 and witness a gathering of eminent researchers and scientists from India and abroad present state of the art technology and advances in Antennas and Propagation. Get an opportunity to network with faculty members, industry experts and students from India and abroad.

Represent your institution to present your Undergraduate/Masters project in the **InCAP Student Innovative Project Competition**. The entries will be evaluated by the experts in the domain and top 5 entries in each category would be shortlisted to present their work at the conference.

Instructions:

Prepare a one page abstract of your Undergraduate/Masters project on Antennas and Propagation (refer 'General Topics' of InCAP 2018 Brochure) and submit through the website mentioning that the paper is for Student Innovative Project Competition. One additional page listing the references and publications can be used. For any queries, please write to ieeeincap2018.sa@gmail.com

Eligibility:

M.Tech/M.E/M.S theses examined in academic year 2016-17 and 2017-18 (before July 31, 2018)
B.Tech/B.E final year projects completed in the academic year 2016-17 and 2017-18 (finished before July 31, 2018)

Awards and Travel Grants:

Best Student Project Award in each category (1st and 2nd) : INR 8000, INR 5000
All shortlisted candidates would win IEEE student membership for one year
Travel grants for selected students (to and fro sleeper class train fare) are available and application forms for travel grants will be posted in the website

Important Dates:

Last Date for abstract submission: July 31, 2018
Notification of Acceptance: October 15, 2018
